

Pratik Mehta

Creative Marketing Lead

New York, NY | mehtapratik.com | mehtadpratik@gmail.com | linkedin.com/in/pratikh96

SUMMARY

Creative marketing lead with 10+ years across brand, social, content, motion, UI/UX, and performance. I build the creative and the system around it: campaign strategy, social-first content, product concepts, reporting, and the performance loop after launch. At SPORTIME, led a video-first program across 25+ accounts that drove 11.7M cross-platform impressions, nearly 17,000 net new followers, 510% more Instagram publishing, and 2,115% more Reels output year over year. Since SPORTIME, I have rebuilt my process around AI-assisted production through self-initiated concept systems and select brand/marketing projects across strategy, UI, motion, and campaign development.

EXPERIENCE

Creative Technologist | Apr 2024 to Present | New York | Self-Directed

- Rebuilt creative workflow around AI-assisted production across research, positioning, concepting, copy iteration, UI/UX, motion, content systems, and quality control.
- Developed The Ninth, Level, and WISP as self-initiated portfolio systems showing current creative direction across brand, product UI, AI interaction models, motion, and social-first launch thinking.
- Built concept systems spanning product screens, AI-assisted feature models, motion states, brand and UI components, campaign routes, and content structures across gaming, tech, and live media use cases.
- Supported select small brand and marketing projects for local companies and online brands, using the period to test practical AI-assisted workflows in real creative contexts.

Marketing Manager, SPORTIME Clubs | Jan 2023 to Mar 2024 | New York | Full-Time

- Owned marketing across 13+ clubs and 25+ social accounts during a major growth period, directing 3 to 4 social and design reports plus club-level creative leads.
- Built and led a video-first social program that drove 11.7M impressions and nearly 17,000 net new followers in one year.
- Increased Instagram publishing by 510% and Reels output by 2,115% year over year through a higher-volume content system across Instagram, Facebook, LinkedIn, X/Twitter, and TikTok.
- Launched the SPORTIME Pickleball vertical as it scaled across the club network, shaping the brand, social, and content.
- Directed creative around the \$75M JMTA flagship expansion, connecting campaign messaging, social content, video, and club-level marketing needs.

Social Media Director, The Forest Road Company | May 2022 to Dec 2022 | Remote | Full-Time

- Directed social media for a media-finance firm, conceiving and executing still and video campaigns across brand channels.
- Built campaign tracking across LinkedIn paid and daily X/Twitter content, translating performance into recommendations for senior leadership.
- Measured LinkedIn Sponsored Content CTRs of 0.44% to 0.65%, Lead Gen Form conversion of 6% to 10%, and CPL of roughly \$75 to \$150 depending on target and offer.

Social and Graphic Manager, DealNews | Jul 2020 to May 2022 | Remote | Full-Time

- Managed social content and paid campaigns across a primary audience of roughly 110,000 Facebook followers, 15,000 Instagram followers, and 5,000 LinkedIn followers.
- Served as lead in-house designer across social, paid, email, landing pages, mobile app updates, infographics, logos, and new business proposals.
- Supported ecommerce marketing with email performance of 29.81% open rate and 1.74% click rate, plus landing-page conversion around 6.6% median where measured.
- Ran paid-search campaigns with performance around 6.66% CTR, \$5.26 CPC, 7.52% conversion rate, and \$70.11 CPL.

Associate Designer, Richard Attias and Associates | Apr 2019 to Dec 2019 | New York | Full-Time

- Produced environmental, print, digital, social, website, app prototype, and brochure assets for large-scale global conferences and high-profile events.
- Built and supported the FII 2019 design platform across digital, print, and environmental assets for an event with nearly 300 speakers from 30+ countries and 6,000+ senior-level attendees.
- Managed high-volume production across roughly 300 digital assets, nearly 60 environmental or signage pieces, over 50 print pages, and 5 asset families.
- Coordinated 3 international handoffs and 4 on-site production days to keep creative consistent from screen to room to printed program.

Graphic and Motion Designer, Agency FiveEighty | Sep 2018 to Feb 2019 | New York | Internship

- Produced motion graphics, title sequences, and broadcast-ready marketing collateral from concept to final delivery for Spectrum, the New York Jets, Coca-Cola, and FISLL.
- Delivered 15-second and 30-second cutdowns across 3 aspect ratios, managing over 5 revision rounds and over 10 deliverable formats per campaign.

Designer, Pipeline Medical | Jun 2017 to Aug 2017 | Remote | Internship

- Built Pipeline Medical's brand identity and B2B supplier marketplace from zero, designing the logo system and core procurement screens around bulk and repeat purchasing.
- Designed roughly 15 core screens, 4 procurement flows, 20 UI components, and developer handoff assets for launch.
- Rounded out the platform with display ads, social assets, buyer-education collateral, and implementation support for the programming team.

Marketing and Design Team Lead, SR Love and Care | Feb 2016 to May 2020 | New York | Volunteer

- Built and led a volunteer marketing team for a global humanitarian nonprofit, growing it from 5 to over 15 members across four years.
- Founded a dedicated 5-person design team as demand grew beyond core marketing, setting workflows, standards, and mentorship before handing off the function.
- Created social media assets and supported paid marketing campaigns across social, print, and Google Ads.

Marketing Manager, Kumon | Mar 2014 to Aug 2019 | New York | Part-Time

- Produced print and digital marketing collateral, ran paid marketing campaigns, and managed social media for one Kumon center.
- Built the early operating model for connecting creative production, local lead generation, seasonal campaigns, and marketing performance.

SELECTED SELF-INITIATED PORTFOLIO SYSTEMS

The Ninth, Esports Membership OS | 2026 | Brand, UI/UX, AI, Motion

- Designed an esports membership system for a global esports organization that treats fans as members rather than a passive audience, using fandom, community, and year-round engagement logic.
- Built the brand system, product UI/UX, 3 membership tiers, 8 AI-assisted features, 40 screens, motion states, UI components, campaign routes, and social launch assets.

Level, Responsible Prediction Market App | 2025 | Brand, UI/UX, AI, Motion

- Designed a prediction-market app around responsible use and product trust, building brand and product UX with guardrail flows, risk context, probability education, and onboarding logic.
- Created 30 screens, 5 responsible-use guardrail flows, 5 probability/risk visualizations, and over 40 UI components.

WISP, Live AI Host Presence | 2024 | UI/UX, AI, Motion

- Built a real-time AI host presence for live and streamed formats, combining interaction logic, interface design, prompt behavior, and motion.
- Designed 12 core screens, 3 live/streamed use cases, over 50 prompt/response patterns, and 7 motion states.

EDUCATION

B.S. Computer Science, New York University | 2014 to 2017 | New York

- CS foundation for systems thinking across UI, web, analytics, AI-assisted workflows, and creative production.
